

Munich International School

Nurture – Challenge – Inspire

Pioneering international education since 1966

School Profile 2018-2019

Munich International School is a K-12, non-profit, International Baccalaureate World School offering the Primary Years, Middle Years and Diploma Programmes to over 1250 students. All courses are offered in English (except language-specific courses) and 95% of students take the full IB Diploma*. Virtually all MIS students pursue four-year undergraduate degrees at selective universities around the world. MIS does not rank students and GPA is unweighted.

Accreditation

MIS is authorised by the IBO, recognised by the Bavarian Ministry of Education, and fully accredited by the Council of International Schools (CIS) and the New England Association of Schools and Colleges (NEASC).

Curriculum Highlights

- Most MIS students pursue the full IB Diploma. The IB Diploma requires completion of six academic subjects over two years, and Theory of Knowledge.
- All IB Diploma candidates complete a 4,000 word Extended Essay research paper in Grade 12.
- IB courses in Geography include a significant emphasis on history and current events.
- Some students opt instead to take certificates in IB subjects or to receive the MIS Diploma.
- Grade 10 students register for the IB MYP eAssessment and online portfolios.
- Coordinated Science is a double course covering Biology, Chemistry and Physics, including lab work. It is the only science course taught in Grade 9 and 10, and is offered as a double or single option in Grade 10.

Learning Beyond the Classroom

- Grade 10 national and international work experience (3 weeks in June).
- Community Service is an important part of the curriculum at MIS.
- MIS students support many projects locally and around the world, such as our Tanzania programme, UNICEF, and community service work in the greater Munich area.
- We offer over 100 After School Activities for students from Junior School through Grade 12: Performing Arts, Speech and Debate, Model United Nations and Sports.
- MIS' new Makers' Space supports initiative in design and audio visual production, fabric arts and robotics.
